CAPABILITY STATEMENT

For nearly 40 years, D-Mar has provided superior construction services and continues to lead the industry today. We pride ourselves on the reputation we have built on ingenuity, expertise, value, and a keen focus on growing the communities we serve. In addition to successful national projects deliveries throughout the United States, we have collaborated with a variety of industries to transform their visions into realities, including local municipalities, quick-service restaurants, healthcare, education, entertainment, and airline catering to name a few.

Helping to serve those who serve others is our passion at D-Mar, and we are grateful for the chance to positively impact our clients and their communities.

PAST PERFORMANCE

US AIR FORCE BASE 45TH SPACE WING

called Ascension Auxiliary AirField to build and install two new refrigerated coolers boxes for International Restaurant Distributors, one of the island's primary suppliers of food services.

LSG SKY CHEFS

A national Client, cooler containers for International Restaurant Distributors, large scale operation required a unique 100,000-square-foot of commercial kitchen space, with 32,000-square-foot of freezer and refrigeration cold storage.
